God Is Bigger Than COVID-19

Through serving with Raleigh Dream Center, we have overwhelmingly witnessed God's protection and love. A necessity for food allowed us to build kingdom connections and relationships by being the hands and feet of Jesus. In doing so, a Godly peace replaced fear, community replaced loneliness, love replaced hate [descrimination and racism], hope replaced depression, and God's strength to face the unknown future replaced my feeling of weakness.

- Michele Gavelier, RDC volunteer

The food and goods offered at Adopt-A-Block have been wonderful. I share them with family and friends, and it has blessed so many others beyond myself. The volunteers are kind, helpful, and inspire me. Thank you for everything.

- Tina, community member

We are not just filling a physical need. We also have the opportunity to care for emotional needs as well as sharing the gospel and meeting spiritual needs.

- Pastor Scott Mason, RDC volunteer

My family was visiting the U.S. and was not allowed to go back to my home in Colombia due to COVID restrictions. RDC truly ministered to me with food for my family, prayer and advocacy, and even helped my family at the airport.

A Special Thank You

Miracles are sometimes hard for some to see. 2020 was a year WE SAW MIRACLES EVERYDAY! We saw hundreds of volunteers serving every day, running to the frontlines and providing

food and hope where there was such a high need. This effort that stretched across counties to consistently reach 44 communities was nothing short of a miracle- how incredible to watch God use YOU to impact thousands of people. We are speechless!

Addiction Recovery Home Coming In 2021

Among many things we saw in 2020, the problem of substance abuse and addiction only got worse. We have witnessed this first hand in many of the communities we serve. The reason WHY we go to communities is to invite people in to the life changing solution that Jesus can bring, including the power to break addictions!

We are committed to reaching those who are struggling with life-controlling issues. We are grateful to announce that we will be launching our addiction recovery classes in early 2021. We are also under contract on a property and preparing to build homes so that we can offer a FREE RESIDENTIAL ADDICTION RECOVERY PROGRAM beginning late 2021.

Partner With Our Mission

Our mission is to bring hope and restoration to the hurting and broken in the Triangle area. Our vision is to be an inner-city resource center bringing Christ-centered solutions to addiction, hunger, trauma, homelessness, and unemployment through residential and community outreach programs.

Because of our commitment to stay Christ-centered and gospel-focused, we are looking to partner with individuals, churches and businesses to collectively REACH OUR CITY. Go to our website to find out how you can partner with our mission and make a difference today! *RaleighDreamCenter.org*
