CHURCH PARTNERSHIP OPPORTUNITIES

WE ARE YOUR LOCAL MISSIONS PARTNER

Our goal is to see the local church reach their communities! We provide CONSISTENT opportunities for outreach and evangelism. This is an easy way to help your church "get out of their seats" to engage with communities through serving and building relationships with the hope of sharing the gospel.

ONGOING MISSIONS OPPORTUNITIES

ADOPT-A-BLOCK - Every 2nd & 4th Saturdays of the month you can serve at a local community to build relationships. and have gospel conversations. Volunteers meet from 10am-12pm in various communities to provide free groceries, prayer, play games with kids, and more.

MOBILE FOOD PANTRY - Tuesday through Friday beginning at 11:00am you can help provide free groceries in local communities. Sign up to serve at a time and location that works for you.

KIDZJAM - Our outreach to children happens directly in local communities at Adopt-A-Blocks, after school and at our Family Night. Volunteers brings fun, friendship and spiritual support to hundreds of children each week.

STREET OUTREACH & FAMILY NIGHT - Every Tuesday we go to Moore Square to minister to people experiencing homelessness and invite them to RDC for a free dinner & worship service. Sign up to serve at Moore Square (3:30pm) or at the Family Night dinner & service (5:30pm).

FOOD WAREHOUSE- Monday, Wednesday, and Friday from 2-5pm we are looking for people to help package up the groceries that are sent out to local communities. This allows 100,000 meals to be sent out every month across Wake County.

WAYS YOUR CHURCH CAN GET INVOLVED

HOST FOOD DRIVES - Rally your church to bring in non-perishable food to support our outreaches. Or host special product drives, like diapers or toys for our Christmas Adopt-A-Block.

SCHEDULE A SERVE DAY OR WEEK - Whether choosing a serve day where your church ingrates into our current outreaches, or a customized serve week that incorporates additional service projects, we want to be your local missions partner!

SPONSOR A LOCAL ADOPT-A-BLOCK - For \$600 a month, your church can reach an entire community **CONSISTENTLY** with free groceries, gospel presence and relationship. Your congregants can sign up to volunteer throughout the year on a 2nd and/or 4th Saturday of the month.

INVEST IN OUR RESIDENTIAL PROGRAMS - For churches who value having a free, Christ-centered recovery program to send people to, we are in need of financial support to keep this program readily available. Your support allows RDC to serve men and women who will receive free housing, transportation, food, and program expenses all covered allowing them to seek the Lord and find freedom from addiction.
